

ALIEEP STEAM Educator Program – Partner University Application

The information is provided to determine your university’s eligibility to partner with ALIEEP for the STEAM Educator Program and become the solution for educating foreign student-teachers and supplying qualified educators to fill the shortage of qualified teachers in Alabama K-12 schools and beyond.

1. The applying university’s Dean of the College of Education, Department of Education, or the authorized person in charge of the education program must complete this application.
2. All information must be answered. If an item is irrelevant, please note it as “N/A.”
